NOIR ISSUE

Welcome to NUDE Magazine issue #24

Hello to all the NUDE magazine fans!

Welcome to our highly anticipated Noir themed issue. As all the best photographers know, the most important element of photography noir mood is light. Capturing light creates images that expose the essence of the subject. We are especially impressed with this issues calibre of photographers who have mastered the art of capturing light.

A world class list of returning and new photographers.

We hope you enjoy the light stalking and storytelling of each beautiful noir photograph.

Noir. It's about style, attitude, and especially mood...

Many Thanks

--The NUDE team
